IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury's website at www.michigan.gov/taxes. Click on the "Property Taxes" box, select "Forms and Instructions," then click on "Board of Review" to obtain a "Petition to the Board of Review," Form 618 (L-4035).

The denial of an exemption from the local school operating tax for "qualified agricultural properties" may be appealed to the local Board of Review. The denial of an exemption from the local school operating tax for a "homeowner's principal residence" may be appealed to the Michigan Tax Tribunal by filing a petition within 35 days of issuance of this notice. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

Filing a protest with the Board of Review is necessary to protect your right to further appeal exemption disputes and valuation disputes involving property classified Agricultural Real or Personal, Residential, or Timber-Cutover to the Michigan Tax Tribunal and classification appeals to the State Tax Commission. Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Commercial Personal, Industrial Personal, or Utility Personal Property may be appealed to the March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31 if a personal property statement was filed with the local unit prior to the commencement of the Board of Review as provided by MCL 211.19, except as otherwise provided by MCL 211.9m, 211.9n and 211.9o. An appeal of properties classified as Agricultural Real or Personal, Residential, or Timber-Cutover must be made to the Michigan Tax Tribunal by July 31. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

To claim a PRE, complete the "Principal Residence Exemption Affidavit" (Form 2368) and file it with your township or city of the year of the claim. A valid affidavit filed on or before June 1 allows an owner to receive a PRE on the current year summer and winter tax levy and subsequent tax levies so long as it remains the owner's principal residence. A valid affidavit filed after June 1 and on or before November 1 allows an owner to receive a PRE on the current winter tax levy and subsequent tax levies so long as it remains the owner's principal residence.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury's website at www.michigan.gov/taxes. Click on the "Property Taxes" box, select "Forms and Instructions," then click on "Board of Review" to obtain a "Petition to the Board of Review," Form 618 (L-4035).

The denial of an exemption from the local school operating tax for "qualified agricultural properties" may be appealed to the local Board of Review. The denial of an exemption from the local school operating tax for a "homeowner's principal residence" may be appealed to the Michigan Tax Tribunal by filing a petition within 35 days of issuance of this notice. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

Filing a protest with the Board of Review is necessary to protect your right to further appeal exemption disputes and valuation disputes involving property classified Agricultural Real or Personal, Residential, or Timber-Cutover to the Michigan Tax Tribunal and classification appeals to the State Tax Commission. Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Commercial Personal, Industrial Personal, or Utility Personal Property may be appealed to the March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31 if a personal property statement was filed with the local unit prior to the commencement of the Board of Review as provided by MCL 211.19, except as otherwise provided by MCL 211.9m, 211.9n and 211.9o. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

To claim a PRE, complete the "Principal Residence Exemption Affidavit" (Form 2368) and file it with your township or city of the year of the claim. A valid affidavit filed on or before June 1 allows an owner to receive a PRE on the current year summer and winter tax levy and subsequent tax levies so long as it remains the owner's principal residence. A valid affidavit filed after June 1 and on or before November 1 allows an owner to receive a PRE on the current winter tax levy and subsequent tax levies so long as it remains the owner's principal residence.

Guidance regarding Form 1019, Notice of Assessment, Taxable Valuation, and Property Classification

Not less than 14 days before the first meeting of the Board of Review, the assessment notice shall be mailed to the property owner.

Property taxes are calculated based on the Taxable Value (Line 1). State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

The Taxable Value number entered in the “Change from Prior Year to Current Year” Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury’s website at www.michigan.gov/taxes. Click on the “Property Taxes” box, select “Forms and Instructions,” then click on “Board of Review” to obtain a “Petition to the Board of Review,” Form 618 (L-4035).

The denial of an exemption from the local school operating tax for “qualified agricultural properties” may be appealed to the local Board of Review. The denial of an exemption from the local school operating tax for a “homeowner’s principal residence” may be appealed to the Michigan Tax Tribunal by filing a petition within 35 days of issuance of this notice. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

Filing a protest with the Board of Review is necessary to protect your right to further appeal exemption disputes and valuation disputes involving property classified Agricultural Real or Personal, Residential, or Timber-Cutover to the Michigan Tax Tribunal and classification appeals to the State Tax Commission. Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Commercial Personal, Industrial Personal, or Utility Personal Property may be appealed to the March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31 if a personal property statement was filed with the local unit prior to the commencement of the Board of Review as provided by MCL 211.19, except as otherwise provided by MCL 211.9m, 211.9n and 211.9o. An appeal of properties classified as Agricultural Real or Personal, Residential, or Timber-Cutover must be made to the Michigan Tax Tribunal by July 31. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

To claim a PRE, complete the “Principal Residence Exemption Affidavit” (Form 2368) and file it with your township or city of the year of the claim. A valid affidavit filed on or before June 1 allows an owner to receive a PRE on the current year summer and winter tax levy and subsequent tax levies so long as it remains the owner’s principal residence. A valid affidavit filed after June 1 and on or before November 1 allows an owner to receive a PRE on the current winter tax levy and subsequent tax levies so long as it remains the owner’s principal residence.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

Property taxes are calculated based on the Taxable Value (Line 1). State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

The Taxable Value number entered in the “Change from Prior Year to Current Year” Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury’s website at www.michigan.gov/taxes. Click on the “Property Taxes” box, select “Forms and Instructions,” then click on “Board of Review” to obtain a “Petition to the Board of Review,” Form 618 (L-4035).

The denial of an exemption from the local school operating tax for “qualified agricultural properties” may be appealed to the local Board of Review. The denial of an exemption from the local school operating tax for a “homeowner’s principal residence” may be appealed to the Michigan Tax Tribunal by filing a petition within 35 days of issuance of this notice. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

Filing a protest with the Board of Review is necessary to protect your right to further appeal exemption disputes and valuation disputes involving property classified Agricultural Real or Personal, Residential, or Timber-Cutover to the Michigan Tax Tribunal and classification appeals to the State Tax Commission. Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Commercial Personal, Industrial Personal, or Utility Personal Property may be appealed to the March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31 if a personal property statement was filed with the local unit prior to the commencement of the Board of Review as provided by MCL 211.19, except as otherwise provided by MCL 211.9m, 211.9n and 211.9o. An appeal of properties classified as Agricultural Real or Personal, Residential, or Timber-Cutover must be made to the Michigan Tax Tribunal by July 31. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

To claim a PRE, complete the “Principal Residence Exemption Affidavit” (Form 2368) and file it with your township or city of the year of the claim. A valid affidavit filed on or before June 1 allows an owner to receive a PRE on the current year summer and winter tax levy and subsequent tax levies so long as it remains the owner’s principal residence. A valid affidavit filed after June 1 and on or before November 1 allows an owner to receive a PRE on the current winter tax levy and subsequent tax levies so long as it remains the owner’s principal residence.

The Taxable Value number entered in the "Change from Prior Year to Current Year" Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury's website at www.michigan.gov/taxes. Click on the "Property Taxes" box, select "Forms and Instructions," then click on "Board of Review" to obtain a "Petition to the Board of Review," Form 618 (L-4035).

The denial of an exemption from the local school operating tax for "qualified agricultural properties" may be appealed to the local Board of Review. The denial of an exemption from the local school operating tax for a "homeowner's principal residence" may be appealed to the Michigan Tax Tribunal by filing a petition within 35 days of issuance of this notice. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

Filing a protest with the Board of Review is necessary to protect your right to further appeal exemption disputes and valuation disputes involving property classified Agricultural Real or Personal, Residential, or Timber-Cutover to the Michigan Tax Tribunal and classification appeals to the State Tax Commission. Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Commercial Personal, Industrial Personal, or Utility Personal Property may be appealed to the March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31 if a personal property statement was filed with the local unit prior to the commencement of the Board of Review as provided by MCL 211.19, except as otherwise provided by MCL 211.9m, 211.9n and 211.9o. An appeal of properties classified as Agricultural Real or Personal, Residential, or Timber-Cutover must be made to the Michigan Tax Tribunal by July 31. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

To claim a PRE, complete the "Principal Residence Exemption Affidavit" (Form 2368) and file it with your township or city of the year of the claim. A valid affidavit filed on or before June 1 allows an owner to receive a PRE on the current year summer and winter tax levy and subsequent tax levies so long as it remains the owner's principal residence. Property taxes are calculated based on the Taxable Value (Line 1). State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

The Taxable Value number entered in the "Change from Prior Year to Current Year" Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury's website at www.michigan.gov/taxes. Notice of Assessment, Taxable Valuation, and Property Classification

Not less than 14 days before the first meeting of the Board of Review, the assessment notice shall be mailed to the property owner.

Property taxes are calculated based on the Taxable Value (Line 1). State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

The Taxable Value number entered in the “Change from Prior Year to Current Year” Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

Not less than 14 days before the first meeting of the Board of Review, the assessment notice shall be mailed to the property owner.

Property taxes are calculated based on the Taxable Value (Line 1). State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

The Taxable Value number entered in the "Change from Prior Year to Current Year" Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury's website at www.michigan.gov/taxes. Click on the "Property Taxes" box, select "Forms and Instructions," then click on "Board of Review" to obtain a "Petition to the Board of Review," Form 618 (L-4035).

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury's website at www.michigan.gov/taxes. Click on the "Property Taxes" box, select "Forms and Instructions," then click on "Board of Review" to obtain a "Petition to the Board of Review," Form 618 (L-4035).

The denial of an exemption from the local school operating tax for "qualified agricultural properties" may be appealed to the local Board of Review. The denial of an exemption from the local school operating tax for a "homeowner's principal residence" may be appealed to the Michigan Tax Tribunal by filing a petition within 35 days of issuance of this notice. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Guidance regarding Form 1019, Notice of Assessment, Taxable Valuation, and Property Classification

Not less than 14 days before the first meeting of the Board of Review, the assessment notice shall be mailed to the property owner.

Property taxes are calculated based on the Taxable Value (Line 1). State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

The Taxable Value number entered in the “Change from Prior Year to Current Year” Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury’s website at www.michigan.gov/taxes. Guidance regarding Form 1019,
Notice of Assessment, Taxable Valuation, and Property Classification

Not less than 14 days before the first meeting of the Board of Review, the assessment notice shall be mailed to the property owner.

Property taxes are calculated based on the Taxable Value (Line 1). State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

The Taxable Value number entered in the “Change from Prior Year to Current Year” Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury’s website at www.michigan.gov/taxes. Click on the “Property Taxes” box, select “Forms and Instructions,” then click on “Board of Review” to obtain a “Petition to the Board of Review,” Form 618 (L-4035).

The denial of an exemption from the local school operating tax for “qualified agricultural properties” may be appealed to the local Board of Review. The denial of an exemption from the local school operating tax for a “homeowner’s principal residence” may be appealed to the Michigan Tax Tribunal by filing a petition within 35 days of issuance of this notice. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

Filing a protest with the Board of Review is necessary to protect your right to further appeal exemption disputes and valuation disputes involving property classified Agricultural Real or Personal, Residential, or Timber-Cutover to the Michigan Tax Tribunal and classification appeals to the State Tax Commission. Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Commercial Personal, Industrial Personal, or Utility Personal Property may be appealed to the March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31 if a personal property statement was filed with the local unit prior to the commencement of the Board of Review as provided by MCL 211.19, except as otherwise provided by MCL 211.9m, 211.9n and 211.9o. An appeal of properties classified as Agricultural Real or Personal, Residential, or Timber-Cutover must be made to the Michigan Tax Tribunal by July 31. State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury’s website at www.michigan.gov/taxes. Click on the “Property Taxes” box, select “Forms and Instructions,” then click on “Board of Review” to obtain a “Petition to the Board of Review,” Form 618 (L-4035).

The denial of an exemption from the local school operating tax for “qualified agricultural properties” may be appealed to the local Board of Review. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

Filing a protest with the Board of Review is necessary to protect your right to further appeal exemption disputes and valuation disputes involving property classified Agricultural Real or Personal, Residential, or Timber-Cutover to the Michigan Tax Tribunal and classification appeals to the State Tax Commission. Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Commercial Personal, Industrial Personal, or Utility Personal Property may be appealed to the March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31 if a personal property statement was filed with the local unit prior to the commencement of the Board of Review as provided by MCL 211.19, except as otherwise provided by MCL 211.9m, 211.9n and 211.9o. To claim a PRE, complete the “Principal Residence Exemption Affidavit” (Form 2368) and file it with your township or city of the year of the claim. Not less than 14 days before the first meeting of the Board of Review, the assessment notice shall be mailed to the property owner.

Property taxes are calculated based on the Taxable Value (Line 1). State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

The Taxable Value number entered in the "Change from Prior Year to Current Year" Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury's website at www.michigan.gov/taxes. State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury's website at www.michigan.gov/taxes. State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury's website at www.michigan.gov/taxes. Click on the "Property Taxes" box, select "Forms and Instructions," then click on "Board of Review" to obtain a "Petition to the Board of Review," Form 618 (L-4035).

The denial of an exemption from the local school operating tax for "qualified agricultural properties" may be appealed to the local Board of Review. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

Filing a protest with the Board of Review is necessary to protect your right to further appeal exemption disputes and valuation disputes involving property classified Agricultural Real or Personal, Residential, or Timber-Cutover to the Michigan Tax Tribunal and classification appeals to the State Tax Commission. Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Guidance regarding Form 1019,
Notice of Assessment, Taxable Valuation, and Property Classification

Not less than 14 days before the first meeting of the Board of Review, the assessment notice shall be mailed to the property owner.

Property taxes are calculated based on the Taxable Value (Line 1). State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

The Taxable Value number entered in the “Change from Prior Year to Current Year” Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury’s website at www.michigan.gov/taxes. Click on the “Property Taxes” box, select “Forms and Instructions,” then click on “Board of Review” to obtain a “Petition to the Board of Review,” Form 618 (L-4035).

The denial of an exemption from the local school operating tax for “qualified agricultural properties” may be appealed to the local Board of Review. The denial of an exemption from the local school operating tax for a “homeowner’s principal residence” may be appealed to the Michigan Tax Tribunal by filing a petition within 35 days of issuance of this notice. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Commercial Personal, Industrial Personal, or Utility Personal Property may be appealed to the March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31 if a personal property statement was filed with the local unit prior to the commencement of the Board of Review as provided by MCL 211.19, except as otherwise provided by MCL 211.9m, 211.9n and 211.9o. An appeal of properties classified as Agricultural Real or Personal, Residential, or Timber-Cutover must be made to the Michigan Tax Tribunal by July 31. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

To claim a PRE, complete the “Principal Residence Exemption Affidavit” (Form 2368) and file it with your township or city of the year of the claim. Not less than 14 days before the first meeting of the Board of Review, the assessment notice shall be mailed to the property owner.

Property taxes are calculated based on the Taxable Value (Line 1). State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

The Taxable Value number entered in the "Change from Prior Year to Current Year" Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury's website at www.michigan.gov/taxes. Guidance regarding Form 1019, Notice of Assessment, Taxable Valuation, and Property Classification

Not less than 14 days before the first meeting of the Board of Review, the assessment notice shall be mailed to the property owner.

Property taxes are calculated based on the Taxable Value (Line 1). State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

The Taxable Value number entered in the “Change from Prior Year to Current Year” Column, does not indicate a change in your taxes. The change in your tax bill is estimated above Line 1.

State Equalized Value is the Assessed Value multiplied by the Equalization Factor, if any. State Equalized Value must approximate 50% of market value.

IF THERE WAS A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value will be the same as your 2026 State Equalized Value.

IF THERE WAS NOT A TRANSFER OF OWNERSHIP on your property in 2025, your 2026 Taxable Value is calculated by multiplying your 2025 Taxable Value by 1.027 (**Inflation Rate Multiplier** for the current year). Physical changes in your property may also increase or decrease your Taxable Value. Your 2026 Taxable Value cannot be higher than your 2026 State Equalized Value.

The Taxable Value, the Assessed Value, the State Equalized Value, the Property Classification, or the Transfer of Ownership may be appealed by filing a protest with the Local Board of Review. Protests are made to the Board of Review by completing a Board of Review Petition Form. A Petition Form may be obtained directly from the local unit or from the Michigan Department of Treasury's website at www.michigan.gov/taxes. Click on the “Property Taxes” box, select “Forms and Instructions,” then click on “Board of Review” to obtain a “Petition to the Board of Review,” Form 618 (L-4035).

The denial of an exemption from the local school operating tax for “qualified agricultural properties” may be appealed to the local Board of Review. The denial of an exemption from the local school operating tax for a “homeowner's principal residence” may be appealed to the Michigan Tax Tribunal by filing a petition within 35 days of issuance of this notice. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

Filing a protest with the Board of Review is necessary to protect your right to further appeal exemption disputes and valuation disputes involving property classified Agricultural Real or Personal, Residential, or Timber-Cutover to the Michigan Tax Tribunal and classification appeals to the State Tax Commission. Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Commercial Personal, Industrial Personal, or Utility Personal Property may be appealed to the March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31 if a personal property statement was filed with the local unit prior to the commencement of the Board of Review as provided by MCL 211.19, except as otherwise provided by MCL 211.9m, 211.9n and 211.9o. An appeal of properties classified as Agricultural Real or Personal, Residential, or Timber-Cutover must be made to the Michigan Tax Tribunal by July 31. The petition must be a form approved by the Michigan Tax Tribunal, which are available at **www.michigan.gov/taxtrib**.

To claim a PRE, complete the “Principal Residence Exemption Affidavit” (Form 2368) and file it with your township or city of the year of the claim. Properties classified Commercial Real, Industrial Real or Developmental Real may be appealed to the regular March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31. Commercial Personal, Industrial Personal, or Utility Personal Property may be appealed to the March Board of Review or to the Michigan Tax Tribunal by filing a petition by May 31 if a personal property statement was filed with the local unit prior to the commencement of the Board of Review as provided by MCL 211.19, except as otherwise provided by MCL 211.9m, 211.9n and 211.9o. An appeal of properties classified as Agricultural Real or Personal, Residential, or Timber-Cutover must be made to the Michigan Tax Tribunal by July 31.
